In partnership for Tour of Alberta coming in September

Mamta Lulla
Western Review

The Drayton Valley Hotel and Tourism Authority (DVHTA) were at the Drayton Valley Town Council meeting to present a cheque worth \$75,000 to support the Tour of Alberta event.

DVHTA chair Dan Sullivan said the cheque is to enter a partnership with the Town for Tour of Alberta that would be coming to Drayton Valley in September. He added that DVHTA wants to keep working together with the Town for future projects.

Mayor Glenn McLean said the Tour of Alberta is a great opportunity to work together with DVHTA and its members.

The Tour of Alberta is an internationally recognized bike race with top level competitors who also compete in the Tour of Italy and the Tour de France. Drayton Valley will be one of the stops on the tour on

Sept. 3, after which participants will head to Edmonton.

BCMP STAYS

9800 Sgt. Malcolm Callihoun was at the Town Council meeting recently sharing statistics for January to April 2016 when comparing the same time period with previous years.

Numbers show that break and enter and theft of motor vehicles in the area has gone up. Break and enter incidents are sitting at 35 as of April 2016, which was 14 around the same time last year. Theft of motor vehicle has gone up to 20 compared to last year when it was 16. The case is the same for theft under \$5,000 which is at 60 compared to 72 last year.

Callihoun said the RCMP is attempting to prevent break and enter and the members are continuing to patrol.

We believe the people behind these cases are prolific offenders," said Callihoun.

He added that the members are trying to catch these offenders at source and encourage the public to come forward with any information.

SYRIAN FAMILY IN THE AREA

There will be a Syrian refugee family in Drayton Valley area by the end of summer, said Coun. Debra Rosser.

She confirmed that she is positive the community will show their support towards the family of five when they arrive, just like they did for Fort McMurray evacuees.

BIKE RACKS

There will be bike racks at various spots in Drayton Valley geared towards those who like to ride their bikes when running errands or going more to work.

Some of the spots under consideration are near businesses including Bank of Montreal, Canadian Tire, Bank of Nova Scotia, etc.

Mamta Lulla: Western Review
The Drayton Valley Hotel and Tourism Authority presented \$75,000 to the Town of Drayton Valley for the Tour of Alberta that will be in the area in September.

ANGLICAN CHURCH BAKE SALE

Mamta Lulla: Western Review

Spicing Strawberry Tea and Bake sale took place at All Saints' Anglican Church on May 28. The cash collected will help the church donate it to charities. The local church, along with some other churches in Drayton Valley has a sponsored child in India who is graduating with honours this year. Some of the money will also go to buy her school supplies with her education.

Jr. Indy car driver talks about distracted driving to jr./sr. school students

Cathy Wootman Western Review
Jr. Indy car racer driver Parker Thompson spoke to students at HW Pickup and Frank Macdonald High School on May 31.

Cathy Wootman
Western Review

Distracted driving and its often fatal results were talked about both Frank Macdonald and H.W. Pickup Schools on May 31 by guest speaker and junior Indy car driver, Parker Thompson. Parker, who just turned 18 a few months ago, divides his time between Red Deer and St. Petersburg, Florida where he is pursuing his dreams of being a full-time race car driver. With fatalities resulting from distracted driving on the increase, Thompson said he decided to develop and present a campaign to increase awareness about distracted driving and its impact on family and friends. To date he has presented the Star5ive campaign at approximately 80 schools throughout Canada and is

going off, your face will hit it first, then slide off and your head will then snap back and forth in the car," explained Thompson, while showing a video demonstration of the impact inside a vehicle. He noted that 80 per cent of car drivers who are distracted by telephones never see the crash, so there is no time to brace for an impact or take evasive action.

"If you're texting, you're not driving," he stated. He also asked students for ways they can prevent distracted driving. Answers included putting your phone away in your purse, or leaving it at home, but the ringtones on mobile or airplanes made, or leaving it with a friend. Several students who gave a suggestion received free tee shirts to wear, shot out of an air cannon.

"Your licence is not a right. It's a privilege to possess it. You have to protect it, yourself, your passengers and everything around you," he stated. Distracted driving affects more than just you," said Thompson. Students also saw a video of distracted drivers when accident cameras were used in their cars.

"It's funny. Technology was designed to make our lives better and easier but it's killing us off," said Thompson. He also recalled a time when he was driving a street car when the brakes on it failed, causing him to crash into a concrete wall at 30 miles per hour.

"I didn't think that a second would change my life, but it did," said Thompson.

TOWN OF DRAYTON VALLEY NOTIFICATION OF MAILING 2016 COMBINED PROPERTY TAX & ASSESSMENT NOTICES

Pursuant to Section 311 and Section 336 of the Municipal Government Act, the combined property tax & assessment notices for the Town of Drayton Valley were mailed on May 12, 2016. As a result of the publication of this notice, all assessed persons are deemed to have received their combined property tax & assessment notices for 2016. Property taxes are due June 30, 2016. Penalties will apply if payment is not received by the due date.

If you wish to file a complaint about your current assessment, you must lodge your complaint within sixty (60) days of the date of mailing of the combined property tax and assessment notice. The Assessment Review Complaint Form LGS1402 is located at the Town Office and must be completed and submitted along with applicable fee to:

Assessment Review Board Clerk
Box 6837, 5120 52 Street
Drayton Valley, AB T7A 1A1

If you have questions regarding how your property was assessed, you can call our assessors directly at 780.939.3310.

Please direct any inquiries to our Finance Department at 780.314.7200

NOTICE OF PUBLIC HEARING

TAKE NOTICE that Brazeau County Council has given final reading to Bylaw 905-16 adopting a new Land Use Bylaw. This Bylaw will regulate the type, form and location of development in Brazeau County.

FURTHER TAKE NOTICE that Brazeau County Council will hold a Public Hearing at which any person claiming to be affected by the proposed Bylaw may ask questions or make their views known. The Public Hearing will be held on June 21, 2016 at 8:00 a.m. or as soon thereafter as possible in the Council Chambers of Brazeau County office at 7401 Township Road 404, Drayton Valley, Alberta, T7A 1R1.

Any written submission mailed or delivered to Brazeau County, Box 77, 7401 Township Road 404, Drayton Valley, Alberta, T7A 1R1 or faxed to 780-542-7770 by 4:30 p.m., June 6, 2016, will be included in the Council Report. Written and oral submissions may also be made at the Council meeting without prior notification to Brazeau County. Copies of the written submissions received will be provided to Council for consideration. Please note that personal information (address, phone numbers, email address, signature, etc.) will be redacted as per the Freedom of Information and Privacy Act; however, names will still appear with the submission.

A copy of the current Land Use Bylaw 780-12, the proposed Land Use Bylaw 905-16 are available for public inspection at the Brazeau County Office between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday. For further information, please contact Planning & Development by telephone (780) 542-2667 or by e-mail at planning@brazeau.ab.ca. Digital copies of these documents can also be found on our website www.brazeau.ab.ca.

NOTIFICATION OF THE MAILING OF TAX NOTICES

Pursuant to Section 211 and Section 336 of the Municipal Government Act, the Combined Assessment and Property Tax Notices for Brazeau County were mailed on May 24, 2016. All assessed persons are deemed, as a result of the publication of this notification, to have received their assessment notices. Property taxes are due on June 30, 2016.

The Assessment Roll is open for review by any person during regular business hours at the Brazeau County Office, located at 7401 TWP Road 404, Drayton Valley, or on our website at www.brazeau.ab.ca. If you wish to object to your assessment, or any assessment you must, within sixty (60) days of the date of mailing of the Combined Assessment and Property Tax Notice, lodge your complaint in writing to the designated office of the Local or Composite Assessment Review Board.

To obtain additional information regarding procedures, please direct inquiries to the Brazeau County Tax Department at 780-542-7777. Brazeau County, Director of Corporate Services, Brazeau County.

Household Hazardous Waste

These solid or liquid materials and gas containers have outlived their usefulness and could harm people or the environment, without special handling and treatment in how they are discarded. They can be flammable, corrosive, explosive or toxic and because of these dangerous characteristics should not be sent to the landfill or emptied into sewer systems. Household hazardous products in Canada display one or more of the following symbols:

- **Flammable** - burn easily (painting solvents, degreasers, and other solvents)
- **Corrosive** - eat away surfaces and skin (rust removers, alkaline cleaning fluids and oil batteries)
- **Reactive/Explosive** - react violently when mixed with other chemicals, under pressure or heat (peroxides)
- **Toxic/Poisonous** - poison or cause damage to living organisms (materials containing heavy metals like mercury, lead or cadmium)

When a product displaying one or more of the warning symbols is discarded after considering reuse possibilities, it should be disposed of properly. Examples of acceptable products below.

- Abrasive cleaners
- Acetone
- Aerosol paints and sprays
- Air fresheners (aerosol)
- All-purpose cleaners
- Ammonia
- Anti-wasp spray
- Antifreeze
- Auto body filler
- Barbecue starters
- Bleach
- Brake and transmission fluid
- Bulb mite
- Carbon tetrachloride
- Car (lead-acid) batteries
- Car wax and polishes
- Contact cement
- Degreasers
- Disinfectants
- Drain cleaners
- Fabric softeners
- Floor wax strippers
- Fungicides
- Furniture polishes and waxes
- Gasoline
- Glass cleaners
- Glues
- Hair coloring
- Hair perm solutions
- Keratinase
- Hair sprays (aerosol)
- Insecticides
- Laundry starch
- Laundry stain removers
- Lighter fluid
- Liquid cleaners
- Eye
- Mildew removers
- Muriatic acid
- Nail polish and remover
- Oven cleaners
- Paint thinners and strippers
- Paints
- Photographic chemicals
- Pesticides
- Propene gas cylinders - 20 lbs or smaller
- Rechargeable Batteries
- Rubbing alcohol
- Rug and upholstery cleaners
- Rust removers
- Septic tank degreasers
- Shoe polish
- Silver and brass polish
- Turpentine, varnish, lacquers
- Spot removers
- Spill and spot cleansers
- Toilet cleaners
- Tub and tile cleaners
- Used oil - Up to 20 litres
- Wind fillers
- Windshield washer solution
- Wood preservatives
- E-Waste - laptops, monitors, TVs, PCs

Community Cleanup Initiative

In conjunction with the Hazardous Waste Roundup residents will also be allowed to bring large items and yard waste to the transfer stations on the same day. Items such as furniture, appliances, scrap steel and yard waste will be accepted.

Very large items such as car bodies/parts, construction waste and commercial/industrial waste will not be accepted.

It's time! The recycling roundup is on!

Your unwanted computers, TVs and old paint aren't doing any good hanging around, but they will if you recycle them.
Bring your old computers, TVs and paint to:

June 18/2016 - Rocky Rapids, Buck Creek, Breton, and Lindsay Transfer Stations
June 25/2016 - Easyford, Cynthia, Lodgepole and Violet Grove Transfer Stations

Visit www.albertarecycling.ca or call 1.888.999.8762 for more information on electronics and paint recycling in your area.

New murals installed at the Legion

Manitoba Legion Western Review

Manitoba Legion Branch 200 has new murals in the building. Legion president Bill Cunningham said about four years ago they realized that something had to be done about the murals as they were old and faded.

He added that when the Legion approached an artist, they realized restoration wasn't possible with the material that was there so it had to be replaced.

"The original mural is 16 years old and we are looking to hopefully get it down to the museum, at least the portion of the mural with the people in it. It can't be removed. It can be kept to original artwork," he said.

The new murals are made of aluminum based on plywood and hence have a longer lifespan.

"Murals on aluminum panels instead of plywood so they can't rot and they will last longer."

"The old murals will be removed as best as they can and they will be donated to the Drayton Valley Museum."

"There will be minor touch-ups. The original murals will be removed at the appropriate time as well," he said.

The Legion hall will also be looking at redoing a wall with a cabinet with glass doors that will hold a wide range of memorabilia.

The Legion received grants for the project from the federal government as part of Canada 150 program for Canada's 150th anniversary in 2017.

"They had grants that were available for community organizations for restoration and projects that would help celebrate the 150th anniversary," explained Cunningham.

He said the Legion will do an unveiling of its projects upon completion in 2017 as the Legion celebrates its 80th anniversary that year.

The total cost of the project is about \$3,000, half of which came from Canada 150 program and the other half came from community donations.

The project also includes restoring the landscaping and flowerbeds right in front of the Legion Hall which will be done around springtime next year before the unveiling in July 2017.

The courtyard across the Legion hall will also receive an upgrade.

"The original courtyard is fine. We are updating the picture and refurbishing it because it's aging badly and it's not had a change in decades. Once refreshed, it will have proper clear coat on it, graffiti resistant coat on it and it should last many years," he explained.

Manitoba Legion Western Review

New murals on aluminum panels were installed at the Legion last week.

POP-UP MARKET

Manitoba Legion Western Review

Pop-up market with about 30 vendors was organized at the Clean Energy Technology Centre recently. Various area home based designers came together for some fun, food and music for the day.

Rockabilly Rebuild Party

MARLENE LUTHE
Western Review

Oil Country Taphouse hosted a Fort McMurray Rockabilly Rebuild Party on May 28 and invited musician Dustin Parr, who recently became popular on Facebook with his hit song "We are Alberta."

More than \$7,000 was raised for Fort McMurray relief and more than \$2,500 was donated to the Drayton Valley Food Bank.

"I have written a song, 'We are Alberta,' and I want vinyl on Facebook. I was contacted by people for supporting this benefit so I jumped on that to do what I can to help out."

said Parr who performed that night. The idea to host a concert was started by Geoff Sparks from Sparks Entertainment in Drayton Valley and his aspirations to have a venue for the event were fulfilled by Oil Country Taphouse.

Sparks said he sympathizes with all these people who had everything taken away from them overnight and wanted to do something to help out. Along with Parr, a brother sister duo that goes by the name Parz also performed as part of the event.

As part of Parz, Trevor and Larissa Purdy opened for Parr.

All door charges, auction contributions and bar and food proceeds after 6pm were contributed to the cause.

"We feel passionate about helping people out and true to heart, Fort McMurray is similar to Drayton Valley," said Lisa Mills, owner of the local restaurant.

All the auction items were donated by local businesses and individuals.

Parr, who has been to Drayton Valley a couple other times, said the tough times are prevalent in Drayton Valley due to the oil industry, and yet people are going out of their way to show support and jumping to help.

"It's inspiring as an Albertan it's something we should be proud of. Our willingness to help our neighbours," he added.

Man facing multiple charges after stealing from a local liquor store

JUSTINE KIMMEL
Western Review

Simon Smallboy, a 22-year-old male from Rocky Mountain House, rammed a tanker truck he was driving into a window of a liquor store in Drayton Valley. Surveillance camera from the store showed that Smallboy stole bottles of liquor from the store. The total value of items stolen and damage done to the store is yet to be determined. The Drayton Valley RCMP reported that Smallboy is facing multiple charges including break and enter and theft. The case is still under investigation.

BREAK AND ENTER

There was a report of a break and enter in a utility shed on May 26 at 9:30 a.m. A leaf blower was stolen from the shed.

Another break and enter was reported on May 26 at a lease site. Batteries and other items were stolen with a total value of \$150.

BULIM

A complainant called the RCMP detachment on May 26 at 8 a.m. regarding a computer scam. The complainant

reported that a company offered to fix her computer and found out it was a scam. The complainant lost \$325 and had to change her personal information.

DINE AND DASH

RCMP received a call on May 25 regarding a customer leaving a restaurant without paying. The bill was approximately \$100.

STOLEN VEHICLES

On May 26 at 4 p.m., there was a report of a trailer stolen on 58 Street in Drayton Valley. The trailer was reported to have a value of \$5,000.

A stolen vehicle from Cynthia was recovered in Lodgepole on May 26 at 10 a.m.

GUN COMPLAINT

The RCMP received a call on May 26 at 3:30 p.m. regarding a male on 46 Avenue in town pointing a gun at passersby. Police attended and determined that the complainant had alcohol in their systems. Police reported that there was no gun on scene and the male was asking the complainants to move along and not cause trouble in front of his house.

Practice crosswalk safety

JUSTINE KIMMEL
Western Review

Drayton Valley/Restoule County Fire Services Captain William Gueth remind both drivers and pedestrians to watch out for each other at crosswalks and on the roads.

Drivers are asked to always look for pedestrians especially when turning, watch for children, drive slowly and cautiously through school zones, residential parks, or any other areas where children can be walking or playing, and to be patient, especially with seniors and pedestrians with disability who may need more time to cross the road. Cyclists must also follow the same rules as drivers and may face the same fines as drivers.

Pedestrians, on the other hand, are asked to only cross at marked crosswalks or traffic lights, not cross in the middle of a block or between parked cars, make eye contact with the driver and make sure the driver is at a complete stop before crossing. It is also advised for pedestrians to wear bright clothing or reflective strips, especially at dusk or when it is dark.

Gueth also gave tips to parents, which includes showing children how to cross roads safely, staying on the side of the road walking as far from the traffic as one safely

can, taking extra care on roadways that have no curbs, and to watch out for blind corners.

VEHICLES ON FIRE

The fire department responded to an incident at the corner of Township 474 and Highway 74 after receiving a call on May 25 at 1:18 p.m. When fire crews arrived on scene, a late-90s SUV was found to be on fire. RCMP was requested as the vehicle was deemed stolen and people were seen driving away from the scene by witnesses.

Neighbours of a resident on Highway 621 called the fire department on May 26 at 7:48 a.m. to complain about him burning hay bales without a permit. Fire crews attended and extinguished the fire. Gueth reminds the public that burning permits are required and to always take proper precautions when burning.

BROCKLETON

An alarm call was received by the fire department on May 26 at 11:13 p.m. from 5001 61 Street in town. Fire crews responded and confirmed that there was a carbon monoxide leak. The key holder of the establishment arrived and a gas company was called. The gas company was unable to identify the source of the gas leak.

Provincial court briefs

Cathy Weisman
Western Review

Man fined for driving while unauthorised and having no insurance

In Provincial Court on May 31, Judge Marilyn White handed Clayton Brydges a \$2,500 fine plus a victim fine surcharge of \$275 for driving on insurance on his vehicle and another \$400 for driving a vehicle while unauthorised to do so. Two other charges were withdrawn. Brydges had a previous impaired driving conviction in 2012.

Man enters into peace bond

"Philip Ishleman entered into a \$2,500 common-law peace bond for a year following an altercation at his parents' house. Judge White also put him under several conditions while under the bond, including keep the peace and be of good behaviour, report to a probation officer and keep that person notified when there is a change of name, residence or work, attend any assessment or treatment programs recommended by the probation officer, attend and complete any course authorized by the probation officer and verify this in writing. He is also not to

have any direct contact with his parents and must keep a one block radius away from their home. The exceptions are that he may have contact with them over the telephone or through email.

Man changes plea for assault

In Court on May 31, Robert Hirsch changed his plea from not guilty to guilty on a charge of common assault on his girlfriend.

Court heard that Hirsch and his girlfriend at the time came to the RCMP station in Drayton Valley on December 2015 over a verbal dispute the couple had. While conducting the interview, the girlfriend mentioned an incident that occurred prior to that, in June or July when Hirsch used excess force and bruised her eye.

After Hirsch changed his not guilty plea to guilty, Judge White accepted a joint submission from his defence lawyer Doug Holman and crown prosecutor Brandy Shaw. He received a suspended sentence but is to keep the peace and be of good behaviour, report to a probation officer, attend any assessment, counselling and treatment programs recommended by the probation officer. He was also given a \$100 victim surcharge fine and was given until August 30 to pay.

Direct to Smelter – Precious Metals Roadshow coming to Drayton Valley

TC Precious Metals will be in Drayton Valley during a roadshow making its way

through north-east Alberta. You can bring your gold, silver, coins and bank notes

to the Seniors Citizens Club between 10am and 5pm each day. No appointment is required. Terry Burrill is President of TC Precious Metals headquartered in Airdrie, Alberta.

Silver items such as jewellery and flatware are analyzed for hallmarks-identification. Items thought to contain gold will also be analyzed for hallmarks, and then confirmed using precise testing that is done while you watch. Then a cash offer is made and you decide to sell or not.

Terry takes the roadshow out one or two times a month across Western Canada.

"People bring in all kinds of interesting items, but for the most part it is a broken or old chain, unloved jewellery, a single earring, and out of fashion items like charm bracelets. We accept dental gold but it should be clean. Lately I see more and more silver flatware sets, but before you bring those in make sure it says "Sterling" on the handle. There is a lot of silver plated flatware that we can't buy due to the low silver content" says Terry. Another valuable item is coin with silver content. Dimes, Quarters, Half Dollars and Dollars from Canada and the USA can be sorted and the silver content determined in no time at all. People are encouraged to bring in any and all coins for assessment.

TC Precious Metals can assess and purchase Canadian and Dominion of Canada bank notes. Burrill has extensive experience working with estate sales, executors, widows and widowers in a respectful and caring manner. No appointment necessary.

Cash in your old & broken GOLD, SILVER, Jewellery, COINS

Emergency training building talks continue at joint council meeting

Mamila Laile
Western Review

Chief Tim Thomson was at a recent joint council meeting between the Town of Drayton Valley and Brazeau County, discussing details about a new emergency services building. The building location would be just off the Drayton Valley Municipal Airport and it will be used for training and housing emergency services. There will be a campground, a fitness area, training area, oil and gas safety training area, all located in one location.

Thomson explained the importance of the building during his presentation. He said that many oil companies in the area send their employees out of town and it's a great opportunity for accommodation and eating out. He said that he's been in touch with neighbouring towns who would also be interested in a facility like this to provide training for their firefighters.

The plan showed that inside the facility, there is an area called Disaster City that will help RCMP and firefighters create real life scenarios and train together. Other areas include a search rescue training area, oil and gas training area, fire investigation plus extinguishing training area, airport emergency training area etc. Different ways to fund the project are being looked into. Not decided what to be used to build the facility.

RING ROAD REPAIRS

The existing connection from 50 St. to RT 73 or Ring Road is at 18 Ave. Intersection from a major intersection at Hwy 22 and 50 St. Alberta Transportation requires 18 Ave. intersection to be replaced north due to safety reasons.

ECDC to hold Men's Breakfast

Jackie Kinnison
Western Review

Male residents of Drayton Valley and area are invited to attend a free men's breakfast at the MacKenzie Conference Centre on June 17 at 7 a.m. The event is organized by the Early Childhood Development Centre (ECDC) and is sponsored by Vermilion Energy. Cobblestone Cafe will be catering the event.

Bernie Taylor, ECDC program manager, said the event is an opportunity for men to network with each other. "It is a great networking opportunity for people who do not have jobs. They may have an opportunity to sit down and talk to somebody who is looking for a job. It is also a great opportunity for men from families from Fort McMurray that are in the town of a lot of job loss in the community and we just want to honour the men in our community by saying 'Come out and have free breakfasts'."

Aside from free breakfast, a speaker will also be at the event to share his personal story on how he coped with job loss.

"Our speaker is going to talk about the effects of the work loss and how he managed and how he is helping other people," said Taylor.

All men in the community are encouraged by Taylor to attend the event. "We are looking for a huge up," people. "If they have to work then come in and eat real quick and they can leave. There is no expectation for them to stay. We just want them to come and have a free breakfast."

NEWS

Both the Town of Drayton Valley and Brazeau County administration are looking into various options to fix the challenges on Ring Road.

The two options they presented at joint council meeting was a connection at 26 Ave. adjacent to local business base gas station or Tim Hortons in the south end of the Town.

Another option is to have an alternative connection north at 26 Ave.

The cost of redesigning 26 Ave. is about \$3.5 million to the Town and about \$3.8 million to the County, while building an alternate connection on 26 Ave. would cost about \$5 million for the Town and about \$5.5 million for the County.

Town and County administration presented the pros and cons of both options. The initial increased cost with 26 Ave. option was listed as a disadvantage along with significant land acquisition. A disadvantage with 29 Ave. option would be geotechnical challenges on County's portion.

Mayor Glenn McLennan said with the 26 Ave. option, he has a concern about expropriations. "We don't know if we will be facing expropriation and that would be my concern," he said.

The Town of Drayton Valley and Brazeau County submitted a joint application in February 2016 for a grant funding under the Alberta Community Partnership (ACP) program.

The grant money, which is about \$50,000, was founded upon the principle of harnessing the funding to allow the Town and County to undertake feasibility designs and a complete cost/benefit analysis of the two options presented.

The current number of vehicles on Ring Rd per day is 1,200 vehicles, on 18 Ave. the number is 1,800 vehicles, 3,000 vehicles on 20 Ave., and 6,400 vehicles on 26 St.

Evergreen student chosen to become Minister of the Day

Justine Klimden
Western Review

Kavinraan Kumaran, a Grade 5 student from Evergreen Elementary School, is one of the few students chosen by the Alberta Environment and Parks to become Minister of the Day during Environment Week from June 5 to June 11. Hundreds of students applied but only 12 were chosen to serve the Alberta Minister of Environment and Parks Shannon Phillips and to tour the Alberta Legislature in Edmonton on June 8.

According to Barbara Gregory, Grade 5 teacher at Evergreen Elementary School, ever since she started teaching at Evergreen Elementary School, Kumaran is the fourth student from the school to win a spot in the program.

"He was chosen to be one of a group of 12 Grade 5 students from different regions in the province. Students participate in the program by completing a comprehensive booklet, with specific questions about the environment and the many ways they can make a difference through action," said Gregory. "Our provincial government, through the Department of Environment and Parks, prepares the questions the students must answer, arranges for evaluators in each region of the province and hosts the day in Edmonton."

Kumaran said he is excited for the opportunity given to him. "I feel more than just happy, I am feeling excited," he said. "I am most looking forward to meeting the Environment and Parks Minister and I am excited about the legislature tour. Meeting the minister is not something you get to do as a regular student. It is good that I have earned it."

Students who were chosen to be part of the program will learn more about climate change, air quality, biodiversity, and fish and wildlife among others.

Justine Klimden Western Review

Grade 5 student Kavinraan Kumaran from Evergreen Elementary School was one of the 12 students chosen to tour the Alberta Legislature in Edmonton and become Minister of the Day on June 8.

Local girls' rugby team brings home second place

Justine Klimden
Western Review

The H.W. Pickup Huskies Girls' rugby team bagged second place at the Calgary Alberta Junior Rugby Association Tournament that was held in Calgary on May 29. The local rugby team competed with teams from Calgary, Edmonton, Saint Albert, Red Deer, Okotoks, and High River.

Stephen Dodds, coach of the girls' rugby team, said he and the other coaches are proud of the team's accomplishment.

"Our girls came out and we were not sure how we were going to do, but we ended up coming second in both the U-13 and U-15 category overall for that tournament. That is pretty impressive considering the size of Drayton Valley and the size of the other cities involved, so we are pretty proud of our girls for how they did," he said. "This is the first time we competed

against anybody outside of Rimby, so it was a good challenge for the girls and they stepped up to the plate for that."

Dodds credits the girls' win to their hard work during training and aggressiveness during games.

"We have been training since February but we stepped it up in the last few weeks to be prepared for this tournament, and the training showed, and the physicality of our girls compared to the other teams was probably the biggest difference," he said. "We were much more aggressive and physical than the other differences in the games between the two teams were that our team came there to play and their teams were a bit hesitant to get involved."

According to Dodds, the girls' rugby team players are looking forward to hopefully join Team Alberta or compete at the Alberta Summer Games. "A few of them have tried out for Team Alberta so we

The girls' rugby team at H.W. Pickup Junior High School competed at the Calgary Alberta Junior Rugby Association Tournament on May 29 and brought home second place.

Success for Shine Gymnastics

Submitted
Shine Gymnastics has had a very successful year in competitions for both Rhythmic and Artistic. Our first meet for Artistic saw Shine Gymnastics place very high and we took the Overall High Scores for both MAG (Tylan Thomson) and WAG (Kyleigh MacWilliam). Congratulations Tylan and Kyleigh!

Mikaela Thomson (1st Bars), Hannah Ouspovitch, Isabelle Savage, Alexandra Lawrence all had a strong showing and placed in the top 3 in most events.
Our Rhythmic teams attended the largest competition we have ever competed in. There were over 337 competitors from three countries in the morning session alone!

The meet was tough but our girls showed they do Shine fierce and our preschool team took a bronze placement and our older girls came away with Gold! We are very proud of our gymnasts.
We wish them well in the next three meets and if you would like to see if you have what it takes to be a Shine Gymnast, find us on Facebook.

Pictured are one of the Shine Gymnastics groups that recently attended a large gymnastics competition. Photo submitted

HIT THE TRAILS

Mamie Latta Western Review
More than 40 riders came out to take part in the Drayton Valley Horse Club's Trail Ride Against Cancer event on May 29. Riders from as far as Ontario and Saskatchewan were part of the event. More than \$7,500 was raised as part of the riding event.

TSP - Ed Lauer who is 85 years was one of the senior riders on the trails. The bottom picture was submitted by the club.

PUBLIC NOTICE
REGISTRAR OF MOTOR VEHICLE SERVICES DECLARATION
SINCE ALBERTA
Due to the influx in northern Alberta, many steps to ensure vehicle documents such as driver's licenses and vehicle registrations have been expedited for new residents and June 30, 2016.
As per the Operator Licensing and Vehicle Control Regulation, residents of Fort McMurray, Athabasca, Grande Prairie, and Fort McMurray. Residents have been advised to come in person with documents including Operator's License, Operator's License and more vehicle documents of registration.
Residents subject to the regulations are encouraged to renew their motor vehicle documents prior to June 30, 2016.
Visit Alberta.ca for vehicle emergency information.

FAREWELL TO GRADE 9 STUDENTS

Grade 9 students at HW Pickup Jr. High School bid goodbye recently. A farewell was organized for them by the school where they came together, watched a presentation and looked back at their school lives and danced until it was time to clean up and go home.

It is bear season

Sam Leifer

Summer Educator and Outreach Coordinator for Eagle Point-Blue Rapids Park Council

Spring is here and the black bears are out of hibernation and beginning their mate

making season.

Mating season for black bears usually takes place from June to July, though cubs

are not born until around February when the sow is in her winter den.

A male black bear can grow up to 400 pounds and females can be up to 310

pounds. Although while the bears hibernate, they lose 10 to 16 percent of their

body weight and regain the weight in the spring.

Two cubs weigh next five to 12 ounces when born and weigh about five pounds

once they emerge from their winter den in the spring.

Black bears live on a diet of mostly fish, ants and other insects, carcasses of winter

killed animals, overwintered berries, dandelions, clovers and a few different

plants found in the forest.

In most forested areas of Alberta, or about 75% of Alberta, you can find black

bears and their population has increased over the last few years. There are also

many sightings of black bears especially like the area as it is right along the North Sea

as has been noted, making it prime bear habitat.

Peter Fry, executive director of Eagle Point-Blue Rapids Park Council, had

quite the experience with a black bear when he was camping in his vehicle on park

grounds a few weeks ago.

Peter woke up to his vehicle shaking at about 4:30 one May morning. Quickly he

peered out his window and found staring right back at him through the glass was a

black bear standing up along the side of the car. Peter quickly jumped up, turned

a his car on and hunkered down until the bear ran into the bushes.

Peter, a quiet outdoorsman and describes his experience as frightening but

also very exciting. "Black bears are constantly searching for food and he probably

was curious of this curious looking object, but he was contained in food source."

Black bears out of hibernation and they are, in fact, contained in food source."

Fine Arts Showcase

Cathy Westman
Western Review

Frank Maddock High School in Drayton Valley held their Fine Arts Showcase on June 1. The annual event featured students' artwork ranging from pencil sketches to colourful mandalas and painted canvases. One school room was reserved for the artwork of graduating student Noel Brinzel, who will be continuing her art career in Edmonton.

Another student, Katherine English, displayed her hand-drawn and coloured mandalas, which took her anywhere between four hours and four months to create.

Throughout the evening, drama students presented a number of short skits, followed by the senior choir with one song presented a capella and another sung in Latin.

Cathy Westman/Western Review

Pictured above is Frank Maddock High School art student Katherine English with a sampling of the mandalas she draws and colours from scratch. Her artwork is also available for sale.

Cathy Westman/Western Review

Grade 12 student Noel Brinzel will be graduating this year, but plans to continue with her artwork after she moves to Edmonton.

FLOWER PLANTING AT FRANK MADDOCK SCHOOL

Cathy Westman/Western Review

Three students from Frank Maddock High School, along with their Educational Assistant Jessica Brown, Megan Brown and Rocio Thibault, planted perennial roses and shrubs.

annual pansies, petunias, Virginia Creeper and Gosh's Weeds in planters, hanging baskets and a tiered garden around the perimeter of the school. The group also planted a vegetable garden at Douglass School containing radishes, cabbages, tomatoes, lettuce and chives.

Principal Gregg McNeil said the students are always very helpful with projects around the school and they're a big part of the school community. Pictured (l to r) Miss Barker, Jessica Brown, Megan Brown, Rocio Thibault and Gregg McNeil.

Sudoku

Here's how to solve a Sudoku puzzle. The numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. The numbers in the order in which the numbers will appear by using the numeric clues already provided in the puzzle. The first numbers you place, the easier it gets to solve the puzzle.

HOROSCOPES

ARIES - Mar 21/Apr 20
 Aries, you may desire to be somewhere like this week, but responsibilities keep you close to home. You can still have a good time and make lasting memories.

Taurus - Apr 21/May 21
 Taurus, you finally left good about others you just made a few days ago, but now you're not so sure. Ask around for advice before making any final decision.

GEMINI - May 22/Jun 21
 Gemini, you are more willing to take risks. Gamble, it's not to say to try new things, but always let reason guide you. You do not want to blow off more than you can chew.

CANCER - Jun 22/Jul 22
 Cancer, the solution to a nagging problem is on the horizon, and you will get some support. This week you will push past it and really move on.

LEO - Jul 23/Aug 23
 Leo, making your dreams is fully within your capabilities. Make a commitment now and stick with it. You have to work hard to get what you desire, but it's within reach.

VIRGO - Aug 24/Sep 23
 Virgo, after months of stress, it's now time to have some fun. Relax and enjoy life. Surround yourself with people who are fun and let the good go or get.

LIBRA - Sep 24/Oct 23
 Libra, you may not be up to too many things at the moment. Focus your attention on just one thing for the time being, and your mind will be satisfied.

SCORPIO - Oct 24/Nov 22
 Scorpio, you may not be up to too many things at the moment. Focus your attention on just one thing for the time being, and your mind will be satisfied.

SAGITTARIUS - Nov 23/Dec 22
 Sagittarius, you may have reached a turning point in a romantic relationship. Now is the time to let those flames so that the relationship can grow into something special.

CAPRICORN - Dec 23/Jan 20
 Capricorn, you may have reached a turning point in a romantic relationship. Now is the time to let those flames so that the relationship can grow into something special.
